

GETTING TO KNOW

DEAR BERKEY FRIENDS,

The Owl (Berkey's newsletter) will soon feature a new segment, *Getting to Know*. Many of you will remember this section from many years ago, but it has been awhile! We would like to feature all adults sometime this year as a way to learn to know each other better. When you've complete this from, please return it to the Office Manager's Mailbox. And if you have a recent photo of yourself, attach it to this letter or email it to the office.

Your Name:

In a few sentences, tell us a little bit about yourself (this might include where you grew up, your hobbies, occupation, special interests, etc.). If you need more space, use the back of this paper.

Blessings,

JENNY L. HOOLEY
Communications & Office Manager
