

## Berkey Volunteer Form for All Attendees, 2019-20

This form outlines service options available in our congregation, helps commissions as they make contacts, and helps you serve where you feel God nudging you. The Leadership Discernment Team (LDT) gathers this information and passes it on to our commissions. Most of these opportunities are open to regular attendees of Berkey Avenue.

You're invited to check as many options as you wish. If you want to take this home and fill it out later, please sign and return to one of the LDT members: Mark Yoder, Ruth Roth, or Julie Zimmerman by March 10. Most of these are one-year appointments. If you're currently serving, feel free to volunteer to continue. Thank you!
