About our Guest Speaker

Marlene Kroeker, is a Stewardship Consultant at Everence in for the Michiana (northern Indiana/southern Michigan) area. She focuses on sharing resources related to generosity and financial stewardship while educating others on how to use those tools to be more generous.

She enjoys working with people of faith and being in conversation with them about what God is doing in their lives. Working with Everence, Marlene is excited for the opportunity to walk with people as they bring God into a place that is often thought of as separate from the rest of their spiritual journeys.
